

Parker A. Howell

(206) 622-0203
parker@pfrwa.com

Parker Howell advises and represents public schools and school-related nonprofit organizations on a wide range of school and municipal law issues, with particular emphasis on employment law, labor relations, and schools administration and contracting. He appears regularly before the Washington Public Employment Relations Commission on unfair labor practice and unit clarification cases, and before labor arbitrators regarding issues of contract interpretation. He also advises clients on public works, construction, and real property transactions.

- Discrimination/harassment
- Schools administration
- Public records and open government
- Special education
- Student misconduct and corrective action
- Public works and construction
- Real property and land use

PRACTICE HIGHLIGHTS

- Successfully obtained a preliminary injunction in Cowlitz County Superior Court prohibiting an ongoing, unlawful strike by three school district collective bargaining units.
- *International Union of Operating Engineers, Local 609 v. Seattle Sch. Dist.*, Decision 13018 (PECB, 2019), *aff'd*, Decision 13018-A (PECB, 2019). Obtained dismissal of unfair labor practice complaint alleging anti-union discrimination, interference, and refusal to bargain.
- *Vancouver Ass'n of Educ. Support Professionals v. Vancouver Sch. Dist.*, Decision 12832 (PECB, 2018) and Decision 12685 (PECB, 2017). Obtained dismissals of unit clarification petitions seeking to accrete administrative assistant and professional-technical positions.
- *Abdelkadir v. Shoreline Sch. Dist.*, Case Nos. 73920-4-I, 74031-8-I (Wash. Ct. App. July 25, 2016) (unpublished). Obtained dismissal of parent's administrative discrimination claims and secured award of attorney's fees for defendant/respondent school district.
- Participated in team of consultants to obtain state approval for an approximately \$100 million school construction project using general contractor/construction manager (GC/CM) process, and drafted contracts to facilitate the project.
- Drafted interlocal agreements between a school district and a municipality to create a multi-million-dollar outdoor recreational complex.
- Successfully appealed administrative law judge's conclusion that school district discriminated against student in equal educational opportunity case under Chapter 28A.642 RCW.
- Successfully defended school district's termination of classified administrator for misconduct through summary judgment motion in superior court.
- Successfully defended school district in grievance arbitration arising from discharge of bus driver for insubordination.
- Successfully defended discharge of tenured teachers for dishonesty and repeated tardiness, respectively.
- Prevailed in federal district court on appeal of special education decision overriding parents' refusal to consent to evaluation of student.
- Successfully defended school district in arbitration of employee resignation and settlement agreement.
- Successfully defended school districts' emergency expulsion of students.
